Description

This 2022 Toyota C-HR VVT-h Excel is a superb example of a well maintained hybrid vehicle. As a Euro 6 compliant model, it features a 1.8 litre petrol hybrid engine, offering an impressive fuel economy of 57 miles per gallon. The Excel trim level ensures a host of desirable features, including adaptive cruise control for relaxed journeys, automatic headlights that adjust to light conditions, and a reversing camera to aid with parking. You'll also appreciate the convenience of smart entry and push button start, alongside dual zone automatic air conditioning to keep everyone comfortable. This Toyota C-HR stands out with its low CO2 emissions and low insurance group, indicating it is more economical to run and insure than many comparable vehicles. These highlights, combined with its efficient hybrid technology and comprehensive feature set, make this C-HR a smart and practical choice for any driver seeking a stylish and cost effective vehicle.
